

Borrego Springs Cruise

Saturday, April 21st, 9:00 AM

Leave from AAA, 1263- Sabre Springs Pkwy #301, San Diego, Ca 92128, Thomas Bros map 1189, B-6

Two things are important this time! We will be doing a lot of driving and a lot of getting out, giving our legs a chance to get some exercise. So, we need to make sure you have a FULL tank of gas when you arrive at the kick-off point and you allow plenty of time for coffee and bathroom breaks before the official start time.

We will be taking our longest cruise of the year this time. We are starting off early as we have 2 stops before we even reach Borrego Springs! We will stop to take some pictures and have lunch in the circle drive in beautiful downtown Borrego Springs.

When we stop at Santa Ysabel, many an opportunity to get food and deli sandwiches for those who prepare. Lunch will consist of bring your own meal/drinks and then bring one thing to share. Chips/dip and fruit is always a good choice. Bring your own chairs and if you have a pop-up table, that would be nice as well.

After our stop for lunch, we will stop on one of the many little side roads and have a chance to line up cars for a photo shoot and to get out and check out the wild flowers that grow this time of year.

The race/cruise up Banner Grade is always a blast. Once we reach Julian, we will make a straight trip through town to access Wynola Road. Yep, lots of twisties this time, yet very few opportunities to really stretch out and go fast.
