

# **Run to Julian**

## **Saturday, January 19<sup>th</sup>, 2019**

**Rally Point: Lake Jennings exit off the I-8 East (open Event Staging tab for map on the Club website to get to the Lake Jennings Park and Ride). Meet at the Park and Ride at 10:00 AM.**

Having completed an Activity every month this year, I decided that we needed a run for the Month of October. So we will make our one long distance run for the year.

We will be driving East on the I-8 until Harbison Canyon (Exit 27) exit and then we will turn onto Dehesa Road, which turns into the Japatul Road, which turns into Hwy 79. We will stay on this road until we drive through Julian. We continue until we hit Wynola Road and then turn right and head back into Julian.

We will be stopping at the Julian Beer Company for a quick stop to drink and eat. Has reserved parking for us, so will need a head count ahead of time.

For those who look forward to driving fast, we will make the return trip on Sunrise Highway and you can “lead the way” as we make our trip back to the I-8.
